

Important Health Notice

***AT NATURE LOVE SALON, YOUR HEALTH
AND SAFETY ARE OUR TOP PRIORITIES.***

To ensure the best experience for all our clients, we kindly ask you to review the following guidelines regarding health conditions before booking an appointment:

HEALTH CONDITIONS TO CONSIDER

We recommend refraining from nail services if you have the following conditions:

- **Diabetes** (*with open wounds, sores, or infections*)
- **Fungal Infections** (*e.g., nail fungus, athlete's foot*)
- **Open Wounds, Cuts, or Sores on hands or feet**
- **Warts** (*e.g., plantar or common warts*)
- **Skin Infections** (*e.g., cellulitis, impetigo*)
- **Severe Allergies or Sensitivities to nail products**
- **Circulatory Problems** (*e.g., peripheral artery disease*)
- **Psoriasis, Eczema, or other inflammatory skin conditions**
- **Cancer Treatments** (*chemotherapy or radiation*)
- **Ingrown nails requiring medical attention**

DISCLAIMER

By booking an appointment and receiving services, you acknowledge that:

- **You have disclosed any relevant health conditions to your technician.**
- **You accept full responsibility for any potential complications resulting from the service.**
- **Nature Love Salon and its staff are not liable for any adverse reactions or complications related to pre-existing health conditions.**

We strongly recommend consulting with a healthcare professional if you are unsure whether nail services are safe for you.

Your Comfort and Safety Matter

If you have any questions or concerns, please feel free to contact us before your appointment. Our team is here to ensure your experience is both safe and enjoyable.
